— Our studio is situated in the heart of Smithfield on the north side of the river Liffey. You will find us on the third floor of THE FRIARY on Bow Street just behind Church Street Church.[†]

[†] Formerly The BOW STREET FRIARY the previous occupants of our studio space were three Capucian Friars. The Capuchin Franciscan Friars of Ireland have had a friary in this area for over 300 years. They first settled here in 1689, building a small “Mass House” where the present Church of St. Mary of the Angels {Church Street Church} stands.
